Dr. Rajnish Sharma

Dr. Pankaj Dhaka

About GADVASU

GADVASU was established at Ludhiana on August 9, 2005 for promoting livestock production, health and prevention of the disease(s) through integrated teaching, research and extension programme(s). The university has been ranked first among the State Veterinary Universities in the country, as per the ranking of agricultural universities conducted by the ICAR for the year 2018 and 2019.

About IAVPHS

The efforts for establishing the Indian Association of Veterinary Public Health Specialists (IAVPHS) started on 3rd May 1997. The Association was registered under the Society Act in 1998 and presently has around 700 life members. The Association focuses on broad field of Veterinary Public Health including food safety, zoonoses, environmental hygiene, comparative pathology & biomedicine and other related aspects of public health.

IAVPHS Executive Committee

President

Dr. Ashok Kumar
ADG (Animal Science),
ICAR

General Secretary

Dr. J.P.S Gill
Director Research,
GADVASU

Vice Presidents

Dr. C. Latha
Dean, CVAS, Mannuthy, Kerala

Dr. R.J. Zende
Head, Dept. of VPH, BVC,
MAFSU

Editor

Dr. K.N. Bhilegaonkar
Principal Scientist and Incharge,
Training and Education Centre
ICAR-IVRI, Pune

Joint Secretary

Dr. V.S. Waskar
Assoc. Prof., KNPCOVS,
MAFSU

Treasurer

Dr. D.K. Sinha
Principal Scientist, IVRI

About Centre for One Health

The Department of Veterinary Public Health and Epidemiology was established in 1984 and upgraded to School of Public Health and Zoonoses (SPHZ) in 2012 and then to Centre for One Health in 2021. The prime mandates of the Centre are teaching, research and extension activities in the field of zoonoses, milk and meat hygiene, food safety, environmental hygiene and epidemiology.

The Centre is working with many prestigious research agencies, including, DBT, UGC, Gates Foundation, ICAR, ICMR in projects on Zoonoses, Food Safety and Environmental Health.

The Centre has many past and ongoing collaboration with reputed foreign institutes like Royal Veterinary College, London; University of Sydney, Australia; University of Saskatchewan, Canada. There are also active ongoing collaborations with medical colleges and hospitals to generate evidence-based data for endemic zoonoses and food safety related issues. The Centre is associated with epidemiological research and awareness drives on many important zoonoses, including brucellosis, tuberculosis, rabies, cysticercosis, hydatidosis, food safety organisms, environment contaminants etc. The Centre for One Health also offered one-year Post-graduate Diploma program in 'One Health' for capacity building among the professionals of various health sectors.

Registration

All the participants are requested to get registered using the following Google Form link:

Registration link:

<https://forms.gle/m7LRjEmQm9MDeggr6>

The participants need to pay the amount of Rs. 500/- (for faculty, JRF/SRF, RA) and Rs. 100/- (for students) as a part of registration fee on or before 05 May, 2021. Please fill the details of payment in the registration form link.

The Bank details for Payment:

In the favour of "Comptroller GADVASU"

Account number: 29380100015519

IFSC: BARBOPALUD (5th letter is 'ZERO')

Awards

1. **Dr. V.N. Bacchil Young Scientist Award**
2. **Dr. S.P. Singh Best Research Paper Award**
3. **Prof. Mahendra Pal Zoonoses Award**
4. **Dr. A.T. Sherikar Outstanding Public Health Veterinarian Award**
5. **Life time achievement awards**
6. **Best Oral and Poster Presentation Awards**
7. **Fellows of IAVPHS**
8. **Best Thesis Award**

For details on the eligibility criteria of above mentioned awards please visit: <http://www.iavphs.org/awards/>

Essay Writing Competition

Postgraduate students are invited for submitting the essay on "One Health Approaches in Tackling Emerging Public Health Issues in India". The essay should contain original thoughts of the participants and must not exceed 1500 words. The top 03 essays will be awarded during the conference ceremony.

- Submit the essay at iavphscoh2021@gmail.com
- Last date of submission is 10 May, 2021

Submission of Abstracts

Participants are invited to submit research oriented abstracts on the major themes of Veterinary Public Health and Epidemiology as provided below. The length of abstract should be of maximum 300 words, font size 12 (Times New Roman) with 1.5 spacing on MS Word file. Please assign the serial number of the theme under which you intend to present your work. The institutional details of the authors should be clearly mentioned with the complete detail of the corresponding author. Only single entry is allowed for the presenting author in each theme. Fifteen abstracts will be selected from each theme by the expert committee (05 for oral presentation and 10 for poster presentation). The selected abstracts will be invited for oral presentation or poster presentation during the conference sessions. Two best oral and three best poster presentations will be selected for the award from each session.

Themes for submission of abstracts:

1. **Zoonoses and Public Health**
2. **Food Safety and Antimicrobial Resistance**
3. **Environment and Wildlife Health**
4. **Animal Health and Biosecurity**

Last date of abstract submission is 05 May 2021

The abstracts should be mailed at:

iavphscoh2021@gmail.com

The participants who are eligible for Dr. V.N. Bacchil Young Scientist Award should send their nomination by 05 May, 2021 at iavphscoh2021@gmail.com
